

Ladybird Forest Pre-School

Dear Parents/Carers

GDPR is a new EU regulation covering data protection and stands for General Data Protection Regulation, coming into force on 25 May 2018 and replacing the Data Protection Act 1998 (DPA) and the Electronic Communications Regulations 2003 (PECR).

Our records are updated complying with this data protection standard. We will only use your (including your child's) personal information in relation to our childcare service. We would like to keep sending you information about your child (once they have started at Ladybird Forest Pre-School) and our setting by email and Facebook, but we need to be sure we have your permission to do so. We keep your information, so you can receive important updates about your child and our setting. We will keep your information secure and will never share it except if required to do so by law or with your prior written consent.

You can of course unsubscribe / ask us not to contact you by email / phone / Facebook etc. at any time.

Please can you complete the section below and return it to the setting with the rest of the starter paperwork – many thanks.

Kind Regards
Alex
